There's tons of stuff to do, like visiting the nearby bars or even going into some escape rooms! Treetop Manchester's high trees are waiting to be climbed, The Place to Potter if you've got an itch to create and don't mind getting messy, and how could we forget the annual Manchester Day happening soon? And at the end of the day, you can go to the Heaton Park to relax in. Once you're here you might even feel overwhelmed to do everything.

Get the best experience by becoming a VIP! Skip the long queues with your own private entrance, get access to charging ports & lockers and experience VIP only areas like The 90's Cocktail Lounge and our own Street Food Quarter. And for the neatnik's out there, you even get luxury loo's included in our VIP package.

Oh and this festival's cashless, there's no need for it when everything's already at the venue! **This event is strictly for 17 year olds and up and under 18's must be accompanied by a person of age.**

After a year of staying safe, Parklife is back on for 2022! It's the first year we've been back since the pandemic and we've got quite the line up. **On the 11th and 12th of June** get ready to see your favourite artists on the Parklife stage such as **MEGAN THEE STALLION, 50 CENT, LEWIS CAPALDI** and **TYLER, THE CREATOR**.

Getting to our venue can be easier with The Big Green Coach. The Metrolink is also available and if all else fails, there's always the option to get an Uber here. We'll be where we always are: at Heaton Park, Manchester.

Camping isn't allowed so we'd suggest finding a place nearby to stay. For hotels, Hilton should always be your first choice. With Hilton you can earn Points that can be used to earn free nights and unforgettable experiences. Hilton Honors members can even enjoy free WiFi and have the lowest price guaranteed. But you gotta book in fast, there's no telling how many spots will still be open!
