EDEN

I'm pretty good myself thank you! Listen, We've got a great show lined up for you tonight! we've a contest on so make sure you keep listening but first we have *song* by *artist* on ninety seven point two FM!

MUSIC: Model Buses by Lovejoy

EDEN

Model Buses by Lovejoy on The Student Lounge on ninety seven point two FM. Actually was my top played of the year... Speaking of top played songs of the year, how was your Spotify wrapped?

JAXMINE

I got weirdcore as one of my top genres... I think we'll leave it as that

EDEN

They had some really weird genres like 'Dream SMP?' like what counts as dream smp music?

JAXMINE

We're opening up a can of worms here

EDEN

Yeah I think it's the end of that conversation! What I wanted to actually talk about is different red flags on people Spotify wrapped because people were posting about them and now I know who to stay away from.

JAXMINE

So then what artist would you count as a red flag?

EDEN

Oh. Oh. Don't get me started on this topic. There is gonna be slander. I'm about to say some stuff.

JAXMINE

Oh no... If you have any complaints about what is about to be said, just take it to our twitter
@TheStudentLounge972

EDEN

If your top artist was Ed Sheeran, who hurt you? Like you have Spotify, a musical world of possibilities and you thought "hmmm Ed Sheeran" it doesn't make sense.

JAXMINE

I feel like he's the type of person you only listen to the radio and that's it

EDEN

Exactly, what's your red flag in music?

JAXMINE

this, I cannot disclose.

EDEN

Come on, I've already slandered one of the biggest singers in the world so anything is okay.

JAXMINE

It's Ed Sheeran.

EDEN
I'm so glad someone agrees with me!
I'm tired of everyone defending Ed
Sheeran. So who should people listen
to instead? Well that question will be
answered now on this weeks track of
the day!

STATION ID: TRACK OF THE DAY

JAXMINE
Track of the day showcases the best
underground artists from the UK and
its chosen by you, the listeners!

EDEN
This weeks track of the day comes from
British band Kero Kero Bonito. They
are a London-based experimental pop
trio, comprised of bilingual Anglo-
Japanese singer Sarah and producers
Gus and Jamie.

JAXMINE
The listeners chose the songs this
time! This ones from their most recent
album Civilisation! This is Princess
And The Clock!

MUSIC: Princess And The Clock by Kero Kero Bonito

EDEN
Have you heard they're making a Weird
Al documentary?

JAXMINE
Wait really?

EDEN
Yeah! They're casting the guy from
Harry Potter to play him. Daniel
Radcliffe I think

JAXMINE
What no way! They don't look anything
alike!

EDEN
I know! I hope the power of special

effects will be able to convince me a
young weird al is on my screen

JAXMINE
Fun fact, he has his own character in
my little pony

EDEN
Please don't tell me is name is like
Dr Chezburger or something stupid

JAXMINE
Close. His name is cheese sandwich and
he's canonically married to pinkie pie

EDEN
How did I not know this?

JAXMINE
Its common knowledge, Eden

EDEN
Next is our quick bite news bulletin

EDEN

That was *song* by *artist* on The Student Lounge! Hope everyone is having a stupendous evening

JAXMINE

That's a fancy word!

EDEN

I used that word in a birthday card once but the person I gave it to thought it said stupid and they got a bit upset with me. Six year old Eden was just trying to use cool words and some people didn't appreciate it.

JAXMINE

You're too kind to people and they don't deserve it.

STATION ID: News Introduction

EDEN

Now time for the news around the world and where you are. On your smart speaker, mobile phone and ninety seven point two FM, This is Student Lounge.

REPORTER

Welcome to the evening news.

Barnfield College students are going to host an Open Mic Jam Session. This event will take place in the sports hall at around twelve. We caught up with one of the singers involved in the event and got more detail on it

AUDIO NAME: OPEN MIC

IN WORDS: An open mic session is...

OUT WORDS: It will definitely be coming...

DURATION: 0:30

REPORTER

Barnfield College also has a new enrichment activity for Indoor Cricket on Tuesday five pm to six pm in the

sports hall. To learn about the other other activities available, go to Barnfield.ac.uk

University of Bedfordshire has a campus tour happening tomorrow at five pm. RIMAP students are also hosting an art show. To find out more about both of these events, go to eventbrite.co.uk

EDEN

So since this is a new show, we've decided to do a Q&A but not just any old Q&A, oh no my precious viewers, ITS A QUIRKY Q&A!

JAXMINE

let's get into the questions! If you could change one thing in the world, what would you change?

EDEN

If I could change one thing... I could go with the basic answer of world peace but I would have everyone just wear little hats? like everyone just gets 1 hat.

JAXMINE

Ohh very good. I would take away peoples hats

JAXMINE

Interesting... What would you do if you had twenty four hours to live?

EDEN

If I had twenty four hours to live I would try every flavor of Boba ever. There's so many flavors I still need to try so I might as just do it in one sitting.

JAXMINE

I legally can't say what I'd do. Do you eat or drink soup?

EDEN

well you drink it, don't you? like you put in the spoon and then *sipping

noise* y'know?

JAXMINE

I see. Personally I think the argument is very foolish. I think people slurp their soups.

EDEN

to each their own I guess. I'm not telling you how to drink/eat your soup. I'm up for people chewing soup.

JAXMINE

Me too I think chewing and glurping your soups is totally acceptable too.

EDEN

Here's another question, what's coming up next on the show?

Station ID: Station Bed

JAXMINE

We have our caller for our contest coming up, hopefully they'll be able to grab that three hundred pound prize so stick around on The Student Lounge on ninety seven point two FM!

CALLER

EDEN

CALLER

JAXMINE
So the aim of the game is to identify
three songs in three seconds to win
three hundred pounds! We'll make it
harder for you as the money goes up so
are you ready?

CALLER
yes/i am/sure etc.

EDEN
Okay here's the first song...

AD LIB: The competition continues, the caller wins the money

EDEN
Thank you for calling in!

CALLER
Thank you for having me

JAXMINE
Oh they tried their best/ well done on
winning, Next up on The Student Lounge
we have the incredible Mitski.

SONG: The Only Heartbreaker by Mitski

EDEN
that was The Only Heartbreaker! Stream
Laurel Hell when it comes out, the
girlyies have waited for her return and
she's such a talent. Right, next up
we've a talk about student mental
health with our guest in the studio.
kind of funny how we just played
Mitski and now talking about declining
mental health

JAXMINE
Its only natural. [GUEST452896], how
are you feeling?

GUEST452896
:)

JAXMINE
Thats great! We're here to discuss the mental health of students and how it can effect work, home and social life. So what I really want to ask is how has college life been for you so far?

Guest answers question

JAXMINE
If things get too much, is there a strategy that you use to keep yourself calm and grounded?

Guest answers question

EDEN
If you had any mental health issues or were worried about yourself, who in college could you go to for support?

STATION ID: Advice Column

EDEN
Do you hear that? Next up is our advice column, this time it's focused on relationships! We have taken to our Twitter and scoured hashtag the student lounge on Twitter to try and help some of our listeners out and give a little bit of advice.

JAXMINE
Ah relationships.. The first question is "My auntie gave me the Christmas present I gave for her on her birthday, do I confront her?" Well dear listener, it definitely matters what the present is! I think you should give the present back if you ask me, one day she'll have to accept

it whether she likes it or not

EDEN

Yeah, it really depends on the gift. If it's expensive gift, just keep it. She obviously doesn't appreciate that you are probably a wonderful person and you deserve to keep that gift. But if not, yes, keep giving her the gift and make it like a tradition almost.

JAXMINE

"So my girlfriend keeps taking me to Subway. But I don't wanna GO to Subway! Do you think we should break up?"

EDEN

Have you expressed your dislike of Subway to her? Communication is key in any relationship really and if she is willing to listen to you and understand that maybe Subway isn't your chosen choice of sandwich establishment, I'm sure you can resolve this issue

JAXMINE

You should find out what place she hates and take her on a date there. payback.

EDEN

"My friend and I recently had an argument and I'm not sure how to apologise to her... I spilt her grandmothers ashes on the floor and when I tried to clean it up I lost them in the vacuum bag. At least I tried to clean it up but shes acting like I'm in the wrong, HELP!"

JAXMINE

I don't even know how to respond. Just buy her new ashes?

EDEN

What does everybody else think? We're gonna leave this question to the listeners! If you have any questions for us or answers for this sad

pathetic listener then use hashtag The Student Room on Twitter or tag us at TheStudentLounge972.

JAXMINE

Coming up next, we've got a talk about student mental health with a guest in studio but first we have this from the one and only Mitski
